## **GROUP ORGANISER EDUCATIONAL – FEATURING RHS GARDEN WISLEY & DENBIES WINE ESTATE**

The itinerary for our latest group organiser educational will provide some unique behind the scenes experiences that will add extra benefits to this special spring weekend covering this beautiful region of Surrey that is perfect for a group break.

### **THE HIGHLIGHTS INCLUDE:**

#### **FRIDAY 24TH APRIL 2020:**

**15.00hrs:** Check-in at the Federation House Hotel, Leatherhead which has ample parking and is just a short walk from the mainline railway station. Get together on arrival for teas and coffees and in the evening join us for welcome drinks prior to dinner.

#### **SATURDAY 25TH APRIL 2020:**

**09.00hrs:** After breakfast we depart by coach for our visit to RHS Garden Wisley. Wisley is the flagship garden of the RHS and one of the UK's most visited and best-loved gardens. After a special formal welcome and talk about the award winning gardens you can join one of the Wisley experts for a guided tour and discover what makes Wisley such an amazing garden to visit. This is followed by an RHS hosted lunch and free time to explore the garden at leisure.

**14.00hrs:** Our coach departs for the Denbies Wine Estate where the Denbies team will be looking forward to welcoming you. Our visit starts with a sparkling vineyard train tour and a glass of Denbies Sparkling Whitedowns Cuvee.

This is followed by a classic wine tasting experience which starts with a Vineyards through the Seasons film before we go through the atmospheric cellars for a guided tasting of Denbies classic wine.

**17.00hrs:** We make our way back to our hotel for this evening's dinner and time to relax after a busy and informative day.

#### **SUNDAY 26TH APRIL 2020:**

**09.30hrs:** After breakfast we make our way to the National Trust Hatchlands Park which is situated on the edge of the beautiful Surrey Hills. On arrival we have a welcome introduction before an exclusive behind the scenes viewing of the house, which was built in the 1750's for a naval hero, and has a rich and fascinating history.

The mansion is now a family home and amongst other things holds Europe's largest collection of keyboard instruments associated with famous composers including Bach, Chopin and Elgar.

If all goes to plan with the timing and weather (after all it is spring) there will be time for a wander up to Little Wix Wood and photo opportunity of the magnificent bluebells if in bloom.

**12.30/13.00hrs:** We make our way to the historic town of Guildford. After a welcome meeting and some free time for lunch our town guides will take us on a walk to discover Guildford's rich heritage of medieval buildings and well-known associations with the likes of Lewis Carroll. More detail will follow for our visit to Guildford as we look to add some final highlights to our day.

**16.00hrs:** We depart Guildford for our short return journey to Leatherhead arriving back at the hotel around 16.30hrs to relax before dinner or homeward journey for those not staying over this evening.

#### **MONDAY 27TH APRIL 2020:** Breakfast
