

Borde Hill

Group Visits 2024

Experience the World in One Garden

We're thrilled to unveil our highly anticipated 2024 Group offer

Whether you're planning a self-guided Garden visit or a specialist tour, we offer an array of curated experiences and exclusive discounts for groups of 15 people or more.

Listed by English Heritage as being of Grade II* historic importance and set in 383 acres of an Area of Outstanding Natural Beauty in West Sussex, Borde Hill is of national botanical importance and features one of the rarest collections of privately owned champion trees in the UK.

Perfectly located just 45 minutes from London and 30 minutes from Brighton, our tranquil Garden is a treat for the senses whatever the season. Enjoy magnificent springtime displays of magnolias, camellias, azaleas, and rhododendrons, followed by summertime roses, herbaceous borders, and breathtaking autumn colour.

New for 2024: enhance your visit by booking a Guided Tour

Whether exploring our outdoor 'garden rooms', immersing yourself in Borde Hill's rich historic archive, or delving into the world of roses, we've introduced a selection of new tours for 2024 to suit all tastes and interests. To help your day run smoothly, we also offer pre-booked catering served inside a marquee exclusive for your group.
